COUNCIL REPORTS:

Councilwoman McCullen reported that in the materials that the Chief received for National Night Out there was a section where you can enter into the judging to be selected as one of the best. She explained that the Borough will be entering the contest. She also said that there are so many groups that are involved that represent the Borough. She explained that all of these groups have come forward and are ready to help out. Councilwoman McCullen said between the churches, schools, organizations, and the veterans etc. it should be a nice cooperative effort. Councilwoman McCullen continued to say that since the Borough will have so many things that are going to be there that night, she feels that we should make sure that everyone is recognized. She also said that Mr. John Maguire and Glen Davis from the school will be taken photos; then reduce them to a disk so that we can use for entry into the contest. Councilwoman McCullen said to the Chief, "I'm proud of this town and I want to win and so were going to go for the win".

Mayor Green reported that Liberty Mutual Insurance Company sent volunteers in a week ago last Thursday and that they spent two days in the Borough. He explained that the Borough had them checking all the Christmas lights and fixing all of them. He also stated that it was quite a big project, they got it all done and now those lights will be ready to go in a few months when it is time to get ready for Christmas. Mayor Green said, other than that I just want to wish everybody a happy and safe 4th of July.
