

# **PINE HILL POLICE DEPARTMENT TRAFFIC ADVISORY**

## **LAKE AVENUE NO PARKING WESTERLY SIDE AREA OF HICKSTOWN ROAD to FORRESTER AVENUE**

On Monday, June 16<sup>th</sup>, 2104, with the intent of increasing the safety of residents and motorists along Lake Avenue, Mayor and Council, passed Ordinance 2014-914, amending Chapter VIII of the Code of the Borough of Pine Hill, specifically related to parking along the westerly side of Lake Avenue. An investigation undertaken by the Pine Hill Police Department and Pine Hill Fire Department determined parking along westerly Lake Avenue should be controlled due to the lack of necessary area for safe parking as well as it being determined parking along both easterly and westerly sides of Lake Avenue creates a significant hindrance to the safe passage and operation of fire suppression equipment and a traffic hazard for residents and motoring public.

**Chapter VIII, Section 14, captioned "Parking Prohibited at All Times on Certain Streets" has been amended as follows;**

- **Lake Avenue Westerly From a point 300ft Northerly from the curb line at the intersection of Hickstown Road (CR688) for a distance of 1075ft to the intersection of Forrester Avenue.**

All appropriate regulatory signs will be posted advising residents and motorist of the prohibition of parking along westerly Lake Avenue. The parking regulations will be enforced immediately following the posting of the regulatory signs, which is expected to be completed on or about September 1<sup>st</sup>, 2014. Thank you in advance for your cooperation with the parking regulations that have been enacted with the safety of our residents and visitors in mind.
