

## **Veterans Telehealth Initiative**

In partnership with InSight Telepsychiatry,  
Legacy Treatment Services and Oaks Integrated Care  
Eligible: March 1, 2017 to December 31, 2017

Are you a veteran living in South Jersey? Do you need access to a primary care doctor or a behavioral health clinician in a quick and convenient way?

**If so, call 1-888-Virtua-3 for a free appointment!**

From your smartphone or computer, it's never been easier for you to instantly access quality care at home or work. Virtua was granted an award from the New Jersey Department of Health to provide **free telehealth services for veterans** living in Burlington, Camden and Gloucester counties!

**All you need is an Internet Connection and a Webcam, Smartphone or Tablet\*.**

Get a medical and/or behavioral health assessment and treatment online from a healthcare provider. When you call, please be prepared with your Social Security Number and discharge status. You will also be paired with a Virtua Care Coordinator who will help you access any additional services you may need.

When you call, you may request either a medical or behavioral health assessment. The provider may authorize additional free follow up appointments.

**This service is not for medical or psychiatric emergencies.**

**If you are experiencing a medical or psychiatric emergency, please visit the nearest emergency room or dial 911**
