Council Reports:

Councilman Warrington reported that this Thursday night at Hope Chapel there is going to be a presentation on juvenile justice with a panel discussion.

Chief Winters commented that the panel will consists of one or two judges along with the Superior Court. He stated that what this is trying to do is map resources available for the juveniles in crisis and their families.

Councilman Warrington commented that here in Pine Hill our Police Department has been very open and willing to work with both the youth of our community and getting involved in counseling services. He stated that this will be a great opportunity for the panel as well as the people in the audience to come to understand and see what resources are available for our young people when they are in need. He commented that the police as well as the panel want to match the need with the individual. Councilman Warrington reported on an event with the Police Department where he was standing in the area walking around and he saw two young people both who were students run across the field to talk with Officer DiGiacomo who is the School Resource Officer. He commented that this proves the value of having a Resource Officer in the school.

Councilman Knott reported that Public Works purchased new equipment to replacement the old and worn broken equipment. He stated that Mr. Greer and Tom Crosby made good choices to accomplish and meet job schedules. He commented that the clean-up in town went well. He reported that it was a good turn out and it was nice to see a lot of our teachers from Overbrook out with the students cleaning up the town. He commented that most areas of the town looked very nice after it was done. He stated that Public Works has been aggressively cleaning roads and storm sewer inlets for the coming winter. He commented that the streets are looking very nice.

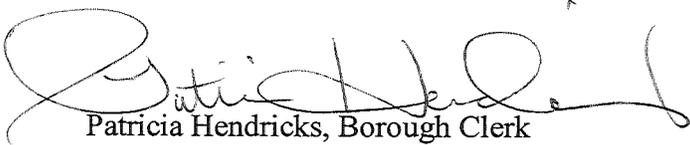

Mr. Greer reported in regards to Public Works having a very aggressive year which you can tell by the liens that have come across the table.

Mayor Green reported on a program that the County had last year which the Borough took advantage of. He commented that they provided a free counselor during court. He stated that the intended purpose was to try to take all of those people who were there as a first offense more than likely due to some sort of drug use and try to get them into programs to prevent them from coming back into the system. He reported that the program went very well and the County has decided to re up the program to another three years at their cost. He commented that it is a great thing to have in the courts and to help out in the long term.

Motion to adjourn: Councilman Warrington, 2nd Councilman Knott
All in Favor: 6 yes votes

The meeting adjourned at 7:58 pm.

Respectfully Submitted,

Patricia Hendricks, Borough Clerk
